Bridging Universiti Malaysia Pahang to the world community

Prof. Ir. Dr. Wan Azhar Wan Yusoff appointed as UMP Deputy VC (

Professor Ir. Dr. Wan Azhar Wan Yusoff, 51, has been appointed as Universiti Malaysia Pahang (UMP) Vice-Chancellor (International) for three years effective from December 1, 2018.

Professor Ir. Dr. Wan Azhar, who is from Pasir Putih, Kelantan, holds a Bachelor Science Degree in Mechanical Engineering from Michigan State University, Ann Arbor, USA (1990), Masters' in Science (Mechanical Engineering) from Rensselaer Polytechnic Institute, Troy, NY (1993), and a PhD in Manufacturing Technology from Universiti Sains Malaysia (2004).

He started working in UMP as a lecturer at the Faculty of Mechanical Engineering (FKM) since 2000, and later as the Faculty of Mechanical Engineering (FKP) Dean for five years beginning 2012.

He had also been appointed as Director of Centre for Academic Innovation and Competitiveness (CAIC) from 2010 to 2012.

UMP Vice-Chancellor, Professor Dato' Sri Dr. Daing Nasir Ibrahim said the university was pleased to appoint Professor Ir. Dr. Wan Azhar as its new Vice-Chancellor (International) for Education, Dr. Maszlee Malik for the appointment.

"We hope that with this appointment, UMP will continue to excel and become a leading technology university in the region."

in Malaysia but also at the international level,” he said.

Professor Dato’ Sri Dr. Daing Nasir also said the university conveyed their deepest appreciation to the faculty (International), Professor Dato’ Dr. Rosli Mohd Yunus who had contributed to putting UMP as among Asia’s

UMP, which is already on the right track, has always ensured that it continues to produce a more innovative, competent and professional staff and to have its academic infrastructure efficiently tailored to the needs of i

VC urges undergraduates to enrich their campus c

Universiti Malaysia Pahang (UMP) Vice-Chancellor, Professor Dato' Sri Dr. Daing Nasir Ibrahim said he was confident that the Representative Council (MPP) 2018-2019 session will play a bigger role in providing a world view for the students. He emphasized that they should be thoughtful and responsible in managing their welfare after leaving the campus life.

"As a leader, one must always remember this – respect should be earned, not demanded. The duty of MPP is to lead that is conducted with etiquette, professionalism and quality.

"The maturity of a leadership is distinguished by a sense for diplomacy, consultation and morality that should be reflected in their character and clout," he said during the appointment and oath-taking ceremony held at Mangala Raya Hotel, Kuantan, 2018.

Also present at the ceremony were Deputy Vice-Chancellor (Student Affairs & Alumni), Professor Dato' Sri Dr. Daing Nasir Ibrahim, Deputy Vice-Chancellor (Research & Innovation), Professor Dato' Dr. Mashitah Mohd Yusoff and Chief Operation Officer.

Professor Dato' Sri Dr. Daing Nasir said interaction with the management by way of cordial and professional

“The students will start to evaluate the performance and trustworthiness of all the student representatives to enrich their experience in campus.

“On this, among the important aspects that need to be given serious attention by MPP are to nurture leadership and humanity, which have been mentioned several times by Minister of Education, Dr. Maszlee Malik.

“As such, MPP is responsible in promoting all four cultures through various programmes and activities to create a conducive learning place that also promotes unity,” he said.

Professor Dato' Sri Dr. Daing Nasir also congratulates the student's secretariat on their ability to run a successful meeting.

In line with the agenda set by the Minister of Education to empower the undergraduates, the election of MPP is for the students to represent themselves.

With the success of this experiment, the university's management was confident to have student involvement as much as possible for the next election.

This positive development was not only significant in the context of enriching the students' campus exposure to the aspects of accountability, transparency and integrity that served as the basis of excellent performance.

The MPP has 25 representatives and is led by its President Zakwan Zulkifle from Faculty of Mechanical Engineering.

Zakwan said MPP would play a role as an intermediary between the students and university management and this would be the main element.

He also said although the relationship between the university management and students had already been good.

He added that he would work hard to ensure that there would be a platform for students to increase their exposure to the faculty.

Other aspects that would be given due attention was to empower the role of MPP, establish collaboration and ensure the students' welfare were taken good care of.

The university management also expressed their appreciation to the previous MPP representatives led by MPP President Zakwan Zulkifle.

Pahang Media Practitioners feted by UM

Universiti Malaysia Pahang (UMP) hosted a tea party for the media practitioners in the state on November 15, 2019, to appreciate the latter's commitment in providing news coverage to the university's programmes.

It was also aimed at fostering closer ties between the university's management and the media.

Extensive coverage has been given to UMP ever since it was established 17 years ago and the university is a leading institution that produces competitive engineers and technologists.

UMP Vice-Chancellor, Professor Dato' Sri Dr. Daing Nasir Ibrahim said UMP was very pleased with the opportunity to convey the developments and achievements of the university to the public including highlighting the university's ranking by QS University Ranking Asia: 2019.

Also present at the event were Chief Operation Officer and UMP Registrar, Abd Hamid Majid, Sports and Recreation Officer, Safie, NSTP Bureau Chief, Abd. Razak Raaf, Bernama Bureau Chief, Noor Shamsiah Mohamed and Sinar Harian Editor, Sinar Harian.

A pre-launching of UMP Vice-Chancellor Cup Media Badminton Tournament was also held. The competition was aimed at promoting the sports and healthy lifestyle among the media practitioners.

Some 60 journalists and photographers attended the tea party. They were also entertained by UMP Kencan Badminton Club.

Malaysians should appreciate their own country more

By: MOHD MUKHRIS AWANG, OFFICE OF THE VICE-CHANCELLOR

The experience of travelling and working in Malaysia for the past five years has made Englishman Mark O'Donoghue

In fact, the native of Gravesend, Kent, was perplexed by the attitude of some Malaysians who cared less to learn and master the national language.

That sentiment was shared by Mark, who is a TV host, actor and YouTube celebrity.

Mark was in town to speak the 'Infinite Class: Express to Impress' organised by InSmartive Club and (PEKA 4) held at Universiti Malaysia Pahang (UMP) Gambang Campus on November 24, 2018.

He also told his audience that one of his weekly activities was to watch a Malay movie so that he could imp

“Malulah saya kalau tidak pandai cakap Melayu dengan baik sedangkan saya bekerja dan tinggal di Malay
how to speak good Malay when I myself has been working and living in Malaysia)” he joked in Malay, to the

It was his first time in the university, attracting some 300 students.

He spent more than an hour for the programme, sharing his experience in the arts and broadcasting w
audience.

He also surprised them with a song titled, ‘Sinaran’ made popular by Dato’ Sheila Majid.

Mark who was known for his character, ‘Mr James Blond’ in the ‘Oh My English’ series, started his career
now more involved in emceeing and as a sports commentator in a direct broadcast satellite (DBS) pay TV c

Educated in the field of performing arts from a leading theatre academy in the United Kingdom, Mark advises the world for career opportunities, take time off to know their strengths and to grow as a person, gain some

Also present at programme were Office of the Vice-Chancellor Head of Research, Wan Nazrul Helmy Wan Pakheri, InSmartive President, Muhammad Aizat Azed and PEKA 4 President, Muhammad Haziq Mohamad.

Mark was also invited to speak at the interactive group programme which was an initiative under 'Bridge' in Kuala Pahang, Pekan and organised by the InSmartive Club and UMP Advanced Education.

The programme is based on the English, Science, Technology, Engineering and Mathematics (STEM) subjects for children involving UMP students. The objective is to transform the landscape of education in Kuala Pahang.

UMP students gained valuable experience on Cambodia's social and humanitarian mission in the country

By: EMMA MELATI BURHANUDDIN, FACULTY OF CIVIL ENGINEERING & EARTH RESOURCES (FKAS)

Ten Universiti Malaysia Pahang (UMP) students from Faculty of Civil Engineering & Earth Resources (FKKSA) took part in the 2018 Cambodia Asean Mobility mission commenced on N

Programme director Ahmad Firdaus Ahmad Asri said they went to Chnang village, one of the Islamic settler

“The village was located some 130km from city centre and that it was a bit behind in terms of development.

“Most of them still relied on wells and water pumps for clean water supply. The madrasah and surau necessities so it could be a more comfortable place.

“Programmes such as this can help instil the spirit of togetherness among the community. A lot of activities and some improvements in their lifestyle,” he said.

“As for UMP students, they too gained some benefits as these activities helped to enhance their personal skills added.

He said when everyone got to experience a common problem, it made them more understanding, compassionate and people got to enjoy good wealth that led to one feeling very thankful of what they had enjoyed all this while.

“We organised various community activities with the villagers and distributed Al-Qurans, booklets of the Sunnah, mats and cash contributed by UMP staff as well as 30 solar lamps,” he added.

They also visited the Al-Falah Madrasah in Phnom Penh where they spent some time teaching education and 16.

Posters with information about the university and about life in campus were distributed so they would have

The UMP students also visited the Norton University which was Cambodia’s first private university.

UMP Kencana Pawana Group won three MAKUM m

Universiti Malaysia Pahang (UMP) Kencana Pawana Group won three major awards during the Malaysia that was held at Sultan Salahudin Abdul Aziz Shah Cultural and Art Centre main hall, Universiti Putra Malaysia.

According to group leader, Mohamad Firdaus Ab Hadi, 21, they won the Best Makeup Award, Most Promising Award and Best Traditional Costume Award. The group took home cash RM250 and a trophy for each of the awards.

Mohamad Firdaus, an undergraduate with Faculty of Industrial Sciences & Technology (FSTI) said they were surprised to win, let alone clinching three awards, as it was their first time competing in the highly competitive event.

“We chose to perform the Padang Sari Zapin and wore the Johor traditional costumes. There were 10 teams in the performance.

“This was the best present we could have ever had as we only have two weeks before the competition and we were able to win.”

He also said they were grateful with the support given by everyone especially the trust given by the university for their best award-winning performance.

UMP Vice-Chancellor, Professor Dato’ Sri Dr. Daing Nasir Ibrahim congratulated the group on their success and encouraged them to continue to make more successes.

“Although UMP is a university that focuses on technical and engineering courses, the university has always encouraged students to expand their interest in arts and culture,” he said.

MAKUM 2018 champion was UPM while Universiti Teknologi Malaysia (UTM) and Universiti Teknologi M respectively.

Prizes were presented by UPM Deputy Vice-Chancellor (Student Affairs & Alumni), Professor Mohd Roslan

MAKUM Festival is an annual event organised with the aim of producing a new generation of players that o culture scene.

The lakes of UMP – the attraction for speed boat remo

The landscape of Universiti Malaysia Pahang (UMP) has a beautiful and tranquil panorama, attracting many.

There are four lakes around the campus including one that is located opposite the library that covers an jogging track and 1,524 meter of cycling track.

It also has become an attraction for a different kind of sports – speed boat remote control.

It was the location for the UMP RC Powerboat Fun Race 2018, held for the first time at UMP Pekan Water. It was organised by UMP Sports and Recreational Centre.

The champion of the competition was Lim Hai Meng who won three categories - Tunnel/Catamaran Hull Lo Engine and Mono Hull Open Modified Engine.

The Tunnel/Catamaran Hull Open Import Engine was won by Nor Hisham Muhammad.

The Centre Director, Abd. Rahman Haji Safie said the competition provided the opportunity for members of the campus landscape as well as to foster closer ties with the local community.

“In line with the call made by the university to make UMP Pekan Campus an edu-tourism centre, we organised not only from Pahang but also from Kuala Lumpur, Selangor and Kuala Terengganu,” he said.

He also said the university was now working together with Pahang Boat Race RC Club to set up a competitions, be it locally or abroad.

Abdul Rahman also said there were efforts to upgrade the facilities around the campus especially the boat ramp could be organised.

He hoped that with the proposed new and additional facilities, there would be more new talents in remote state, locally or abroad.

He also said the university put great emphasis on environment maintenance and protection to ensure no disturbance to its eco-system.

The lake is an ideal place for the public to carry out sports activities and promote a healthy lifestyle. Not far from the lake, various types of trees are planted.

There is also the Aromatic Garden with more than 20 types of aromatic trees planted such as sandalwood and kulim.
