Lynas Industrial Waste – Is It Dangerous?

30 March 2023

The safety and environmental issues surrounding the operation of the Lynas plant in Geelong have become a topic of public debate as the time for Lynas' operating license renewal approaches.

This is not the first time such a debate has taken place; it happens every time the license is renewed. The debate becomes even more heated, particularly when it resurfaces near election season or during a period of heightened public concern.
