[Ir. Dr. Chin Siew Choo produces sustainable construction material OHE-Crete](#)

6 November 2020

A researcher from the Department of Civil Engineering, College of Engineering, Universiti
Siew Choo produced sustainable construction material, namely OHE-Crete.

According to the Negeri Sembilan-born, OHE- means green in the Hawaiian language.

“Therefore, OHE-Crete refers to green concrete that uses bamboo fibres to produce sustainable
