A Decade of German Engineering Education Collaboration: Past, Present and Future

2 December 2020

The year 2020 marks a milestone in the history of academic collaboration between Universiti Malaysia Perlis (UMP) and its German partners, the Karlsruhe University of Applied Sciences (HsKA) and Reutlingen University. In 2009, the Malaysian Government instructed the Malaysian Technical Universities Network (MTUN) to monitor and support the *Fachhochschule* programme in Germany. Unhesitatingly, UMP took the challenge and began its collaboration with HsKA in November 2009.
