[ChM Dr. Nurlin produces SORAS to remove arsenic in contaminated water](#)

7 July 2022

PEKAN, 5 July 2022 – Water pollution especially from landfills often contains toxic and harmful to health in the long run.

Looking at this problem, a lecturer from the Faculty of Industrial Sciences and Technology (UMP), ChM Dr. Nurlin Abu Samah, 38, came out with a product capable of making contaminated water.
