Bridging Universiti Malaysia Pahang to the world community

**UMP being ranked as best global universities for Engineering**

CONGRATULATIONS TO UMP FOR BEING RAN

# BEST GLOBAL UNIVERS FOR ENGINEERING & CH

5-Star World Class Technological University

UMP once again has been recognized internationally after being listed in the Best Global Universities Subject Rankings for Engineering and Chemistry. The ranking, published by U.S. News on 21st Oct 2019, is to provide insight into how the rankings are powered by Clarivate Analytics InCites, in which a total of 10,100 universities from 87 different countries were ranked.

For Engineering subject, UMP is ranked at 271th place globally, and at 7th among universities in Malaysia. UMP is the top engineering university among Malaysia Technical University Network (MTUN).

For Chemistry subject, UMP is ranked #741 globally and it is also 8th among universities in Malaysia.

U.S. News adopts a robust methodology for Best Global Universities Subject Rankings, which covers Reputation, Research, Faculty, and Student Outcomes.

Science Excellence Indicators. UMP achievement signifies that its researches in both Engineering and Chemistry have been recognized by the world. Congratulations.

## UMP Food Bank – aids for undergraduate

Universiti Malaysia Pahang (UMP)'s Food Bank for Undergraduate initiative, aimed at helping to ease the cost of living for students as well as those outside of the campus had been well-received.

The initiative was carried out by volunteers using the Food Pantry concept.

It was officially launched by Minister of Domestic Trade and Consumer Affairs, Datuk Seri Saifuddin Nasution, during a session held with the minister at Astaka Hall, UMP Gambang Campus on October 16, 2019.

Also present at the launching were the ministry's Deputy Secretary General, Datuk Rostam Affendi D (Student Affairs and Alumni), Professor Dato' Dr. Yuserrie Zainuddin, UMP Board of Directors' member, Food Bank Malaysia Foundation Chief Executive Officer, Abd. Wahab Long.

The programme was launched in 17 public universities and UMP was the 18th university to have a Food Bank.

To date, a total of 6,570 students from the public universities have benefitted from the programme including

Among the sponsors that contributed to the programme were Tunas Manja Group, 99 Speedmart Sdn. Bhd., Palma Unggul Enterprise, Hock Ho Hiap Kee Oil Mill Sdn. Bhd., Nurfirman Sdn. Bhd., Nirwana Group, G Sufi Marketing and Syarikat Gean Ming Sdn. Bhd.

In his speech, Datuk Seri Saifuddin said the ministry, through the foundation, had taken steps to connect the food manufacturers, restaurants and hotels, with universities in channelling food aids.

He also said the running of the food bank initiative was based on a concept 'From the Undergraduate to the

"We welcome university students to participate in the initiative especially student bodies, so we can together

Professor Dato' Dr. Yuserrie Zainuddin also said the university had developed UMP Campus Pantry Port themselves, so those interested could get the latest information about the programme.

"It will also facilitate the public or alumni to make contributions, in cash or food.

"To date, a total of 1,400 students under the B40 category have benefitted from the Campus Pantry aim especially so towards the end of the semester.

"Since its inception, various activities have been organised to fill UMP Campus Pantry such as a charity hand clothes which are still in good condition are sold with the lowest price fixed at RM1.

---

“All the proceeds were channelled to the Campus Pantry,” he added.

“Another means of filling the coffers was by encouraging staff to make salary deduction as an incentive to the Foundation,” he said.

UMP had also implemented several of its own meal programmes such as the ‘Food for All’ where free meals were served Monday to Friday (morning) and every Monday and Thursday for breaking of fast (*iftar jamaie*) at UMP (Sharing of Sustenance) where students could get their lunches at RM1.

The ministry and foundation welcomed participation from various parties for the programme in a move to reach out to the community.

They also believed that volunteerism could be instilled through this programme and hoped that the initiative would attract more participants including private institutes of higher learning, university colleges, teachers’ training colleges and polytechnics.

## Malaysia–China Cultural Arts Festival showcases the cultural heritage

By: SITI NURFARMY IBRAHIM, CORPORATE COMMUNICATION DIVISION.

The organizing of the Malaysia–China 2019 Cultural Arts Festival held in conjunction with the launch of the festival was seen to enhance Mandarin language skills and provide cultural exchange but also to strengthen good collaboration between UMP and its strategic partner, Hebei University, China.

The festival was officiated by the Dean of Student Services, Student Affairs and Alumni Department, Dr. Ma

According to Dr. Mansor, the uniqueness of the plural society in Malaysia has attracted tourists to come to see the ethnics' heritage.

“In this regard, the students on campus must foster unity and inter-racial relationship in all activities.

“The Shared Prosperity Vision under the Malaysian government today is a handy reference for us to learn the foundation to strengthen the nation,” he said.

Meanwhile, the Malaysia–China cultural forum was panelled by Dr. Fan Yuguang of Hebei University and Universiti Teknologi Malaysia (UTM), and moderated by Mohd Zaki Ahmad.

There was also a cultural exhibition featuring the use of chopsticks, Chinese knots and traditional Malaysian performances involving students from both universities.

**UMPH pledges highest integrity & corruption-free bus**

UMP Holdings Sdn. Bhd. (UMPH) – the business arm of Universiti Malaysia Pahang (UMP) – recently has achieved high levels of employment, signed an undertaking and pledged their commitment to combat corruption and embezzlement.

At a ceremony held at the UMPH Complex at UMP's Gambang Campus on October 2, 2019, the presence of the Chairman, Dato' Sri Mohd Hilmey Mohd Taib; UMPH Chief Executive Officer (CEO), Ir Syed Mohamad Hamzah Al-Junid; Deputy Vice-Chancellor (Student Affairs & Alumni), Professor Dato' Ts Dr. Yuserrie Zainuddin; and Malacca Pahang State Deputy Director of Prevention, Sheikh Hamadi Sheikh Abdul Hamid.

According to UMPH, the commitment and pledge are hoped to reinforce the virtues upheld by the business with the highest integrity – simultaneously extolling a strong message to the surrounding communities that all must operate with trust and without prejudice, including combatting corruption.

Ir. Syed Mohamad Hamzah Al-Junid emphasized that as an organization that practices the highest integrity and free from corruption, whether directly or indirectly, in its dealings and procedures, including those involved in projects and collaboration with other interested parties.

"Each and every one of us has to ensure full compliance of the written Code of Ethics, in order to develop a strong culture within our organization," stressed the CEO.

"We will also closely cooperate with the MACC to upgrade the reporting and whistleblowing avenues that involve the company and other related parties – to channel any discovery and instance of corrupt practice – with confidence and

Ir. Syed Mohamad Hamzah Al-Junid called upon everyone present at the ceremony to inculcate a high-integrity culture in the heart and pulse of UMPH activities.

This form of work culture, the CEO explained, has to be visually seen and witnessed in every UMPH staff's exemplary leadership roles, personal appearance, interpersonal interactions, and most importantly, their responsibilities.

UMP was among the earliest agencies in Pahang to commit its corrupt-free pledge when the university's ranking officers, deans, directors and heads of department, undertook the oath two years ago on October 2014.

## **Let's Vocab @ STEM helps enhance pupils' command of English**

The Centre for Modern Languages & Human Science (CMLHS) at Universiti Malaysia Pahang (UMP) received school pupils from around Pekan to the university to participate in a programme called “Let’s Vocab @ STEM”.

Organized in collaboration with the Industry & Community Network Centre (ICON), the Centre held the half-day programme on 29, 2019.

In preparation for the programme, the Centre for Modern Languages (CML) Director, Associate Professor Dr. Rosnani Ismail, Nurul Nadia Muhammad and Nabila Abdul Malek, to produce a learning module to enhance their English vocabulary in the Science, Technology, Engineering and Mathematics (STEM) subjects.

“The half-day program aimed to assist the Primary Year 4 pupils in enhancing their English vocabulary in the Science, Technology, Engineering and Mathematics (STEM) subjects.”

---

target vocabulary size were packed into the learning module,” said Associate Professor Dr. Zuraina.

“The learning module consisted of vocabulary games, such as puzzle, word maze, word search and enhancing the pupils’ command of vocabulary,” she highlighted, adding that the survey conducted at the ‘Vocab @ STEM’ was an engaging, interesting and fun-filled in-class activities.

CML believes, as young learners of English, vocabulary expansion is a crucial component of the prerequisite for speaking, reading and writing.

“By conducting a programme like ‘Let’s Vocab @ STEM’, the young learners stand to gain confidence in learning English, allowing them to comprehend learning techniques presented in the module,” she said.
