### [UMP progresses industry collaboration to explore high-impact technology](#)

27 July 2022

KUANTAN, 21 July 2022 – Universiti Malaysia Pahang (UMP) is realigning the empowerment and commercialisation to enhance more dynamic and proactive research capabilities and commercialisation.

It was implemented through the governance of grants and funding offerings and high-impact objectives to generate new ideas, focus on the country's current strategic issues, and drive digital transformation through the Industrial Revolution 4.0.
